Thwaites are pleased to announce the widening of its coverage in the South West of England through established distributor and renowned regional compact sales organisation CBL Plant Sales Ltd.

The territory expansion for CBL Plant will give Customers in the region improved accessibility and availability to the Thwaites range of 1ton to 9ton site Dumpers.

Commenting on the new territory CBL Plant Sales, Sales Director Richard Sturgess said “We are delighted to widen our coverage of the best quality Dumpers on the market to a new audience. CBL and Thwaites are synonymous for offering exceptional customer service, an added value product and listening to our Customer’s needs. We look forward to working even closer with Thwaites to ensure our Customers can buy the best from the best”.

The new arrangement from May 1<sup>st</sup>, 2018 will see the area covered by CBL Plant Sales expand into Hampshire, Dorset and the Isle of Wight with Customers able to access the product from one of four CBL locations.

Thwaites Southern Distributor manager Paul Rodwell commented. “Thwaites are delighted to conclude negotiations and widen CBL Plant Sales appointment to cover these territories. Customers appreciate that a Thwaites Dumper is engineered for excellence. We will ensure that the transition enables wider Customer choice and the delivery of an unrivalled product and after sales service.
