Family owned, Bromley based independent hirer, Standard Plant Hire, who are celebrating their 10th anniversary in 2019, have announced a deal with leading UK machinery dealership Lister Wilder for 100 Thwaites dumpers. Ranging from, front tip to power swivel, across 1tonne, 3tonne, 6tonne and 9tonne machines.

Standard Plant Hire Managing Director, Michael Fleming said, “We are delighted to announce this major purchase of Thwaites dumpers, the Standard Plant Hire procurement strategy is ‘best brand’ purchasing. This policy gives our Customers the best dumper on the market and our business an asset that is easy to manage and service. Aligned to a typical 3-year term of ownership, we see great residuals and a fleet that delivers the very latest dumpers to our customers”.

Thwaites distributor, Lister Wilder sealed the deal via Sales Manager Paul Mahoney, “This is one of the largest deals the business has concluded. It was a pleasure to work with Michael and his team, we look forward to supporting the sale, and Standard Plant Hire for many years to come.”

Concluding, Mr Fleming went on to say, “This deal expands our dumper fleet to 250 machines and our total rental assets to over 1,500. We are a traditional hire business supported by a passionate team of experienced hire people, we stay positive, think big and are always open and honest with our customers. Getting the little things right is all part of our success and the reason we are looking forward to the next 10 years of Standard Plant Hire”.
